

### 3. Complex Packages of Care Panel

Cases are referred to the Complex Packages of Care Panel when the funding is bi-partite or tri-partite with health, education and social care. The panel considers funding arrangements for children with complex educational, social and health needs.

The panel consists of:

- Head of Service, Education**
- Service Leader, Children In Our Care**
- Inclusion Support Service Manager**
- Children's Complex Case Manager, Health**
- Representatives from Social Care and from Health**

#### Process for cases being referred to children's Complex Packages of Care Panel

*NB Cases that have been referred to the complex packages of care panel and a decision made may still need to be referred to the commissioning panel for authorisation of funding where the package includes a commissioned service.*
